

micro CA-25 Digital Inspection Camera

The RIDGID® micro CA-25 is the newest handheld inspection camera designed for visual detection, diagnosis, and confirmation in hard to reach areas.

The rugged 17mm aluminum camera head combined with a one-handed pistol grip design makes this tool ideal for the most demanding environments. A crisp 2.4" color LCD screen with 180° digital rotation allows for easy viewing, aided by 4 adjustable LCDs in the camera head. Included with the camera in a plastic blow molded case are a hook, magnet, mirror and RCA cable.
