

Mini DartEye

DartEye Mini Pipeline Inspection Camera

For pipe inspection up to 100mm (4")

The DartEye Mini Pipeline Inspection Camera has been designed specifically with the user in mind. The system is versatile robust & easy to transport with the additional benefit of a detachable monitor and can be stood upright or laid down while being used or whilst in storage.

The DartEye Mini comes as standard with a 26mm diameter camera head, 30m cable length, 7 hour Battery Life with an AC Adapter power option and SD Card Recording. Lighting is supplied by 6 fully adjustable Ultra Bright LED lights.

Ideal for 1½" (38mm) to 4" (100mm) pipes and the unit is supplied with a 50mm diameter skid

The DS100 Monitor has a 5mm Polycarbonate Protective Cover over the LCD screen to protect against any damage or accidental knocks.

The Camera head is rated to IP 68 to 10bar.

The complete system including Monitor weighs just 10Kgs.
